Our country’s farmers care for the land—protecting and tending it for future generations. They lead the way in preservation and innovation for the health of our planet ... and the health of our families.

The Agriculture Council of America proudly celebrates the dedication of America’s farm families and the bounty they produce on National Agriculture Day.

Please join us as we share the amazing story of American agriculture on Ag Day 2022. Farmers are proud stewards of our land, water and air—Growing a Climate for Tomorrow!
