

Pizza Party

Event/Activity Details

Length: 1-2 hours

Items Needed:

- Pizza
- Plates
- Napkins
- Educational resources

Objective: Participants will understand more about where pizza ingredients come from and the direct connection from farm to fork.

Implementation Ideas

Ways to bring this event/activity to life:

Classroom

Bring a *Pizza Ag Mag* for each student in the class and do the activities and readings in the magazine. Afterwards, eat pizza for lunch and have a Q&A session with a local farmer.

Field Trip

Work with local elementary schools to organize a trip to a local farm during their lunch period for a pizza party and some learning.

Family Night

Organize a pizza party that parents can bring their children to. Have fun games and activities planned as well.

Timeline

Things to keep in mind:

Before

- Schedule date, time, and location for pizza party.
- Determine extra activities.
- Work with the school or teacher to finalize logistics and get permission to take photos.
- Order pizza and any needed materials.

During

- Help students make the farm to fork connection with pizza ingredients.
- Share details about National Ag Day and your state's agriculture..

After

- Send thank you notes to volunteers and speakers.
- Share a press release and a social media post about your Ag Day efforts.
