

## Library Display

### Event/Activity Details

**Length:** ~1 week

**Items Needed:**

- Accurate agriculture books
- *My American Farm* games

**Objective:** Learners will understand more about how agriculture relates to their everyday life and their community through a variety of activities at their local library.

### Implementation Ideas

*Ways to bring this event/activity to life:*

**Guest Speakers**

Invite a guest speaker to speak about agriculture at your local library during National Agriculture Week. This could be a local farmer, extension agent, or businessperson. Advertise the event in local schools and businesses.

**Book Display**

Arrange with your local libraries to have a book display featuring agriculture-related books during National Agriculture Week.

**Activity Night**

Reserve the library for a night of National Agriculture Day activities. Students can play *My American Farm* games on the library computers and read agriculture books. Volunteers can help run hands-on activity stations about different parts of the agriculture industry in your state.

### Timeline

*Things to keep in mind:*

**Before**

- Confirm location, date, and time.
- Reserve computer lab.
- Publicize event to your community.
- Collect/buy accurate agriculture books.
- Get permission to take photos.

**During**

- Share details about National Ag Day and your state's agriculture.

**After**

- Send thank you notes to volunteers, speakers, and hosts.
- Share a press release and a social media post about your Ag Day efforts.
